

SkillsCompétences Canada

New Brunswick/Nouveau-Brunswick

WHAT IS SKILLS CANADA NEW BRUNSWICK?

- National organization began in 1998
- Offices in all 10 provinces and 3 territories
- Governed by a voluntary Board of Directors composed of representatives from each Province/Territory
- Canada's Member Organization to WorldSkills International

OUR MISSION

**Our mission at Skills Canada
New Brunswick is to encourage
and support a coordinated
Canadian approach to
promoting skilled trades and
technologies to youth.**

PROGRAMS AND EVENTS

- **Experiential Learning Sessions**
- **Skills Canada Competitions: Regional, Provincial , National**
- **School Presentations**
- **Educational Legacy Program**
- **National Skilled Trades and Technology Week**
- **Essential Skills Education**
- **Try-a-Trade™ and Technology Activities**

SKILLS COMPETITIONS

- Great way to test students' skills in a competitive environment.
- Learn from instructors and meet people with similar interests.
- Proudly represent your school / province / country and show off students' talents in a skilled trade of their choice.
- Network with future employers and learn about industry demand!

ESSENTIAL SKILLS

ESSENTIAL SKILLS ARE “ESSENTIAL” BECAUSE THEY ARE THE SKILLS THAT ALL PEOPLE NEED FOR WORK, LEARNING AND LIFE. THEY ARE ALSO THE FOUNDATION FOR LEARNING OTHER SKILLS.

- Numeracy
- Oral Communication
- Working with Others
- Continuous Learning
- Reading
- Text Writing
- Thinking
- Document Use
- Digital Skills

NATIONAL / PROVINCIAL TECHNICAL COMMITTEES

- Provincial Technical Committee (PTC) members assist in the preparation and implementation of their respective competitions.
- National Technical Committees (NTC) are composed of one representative from each province and territory that has a competitor in that category.
- The New Brunswick position on these committees will be posted every two years.

EDUCATIONAL LEGACY PROGRAM

- Provide Engaging Activities and Resources
- Connect with Youth across the Province
- Educate Tomorrow's Skilled Workforce
- Provide Positive Spaces for Inquiry and Curiosity
- Create Conversations with Stakeholders about New Brunswick's Future
- Support local - Always!

EDUCATIONAL LEGACY PROGRAM

- Our programming looks a little different in 2020...
- Adaptable & Flexible in these challenging times
- Hands-on approach from a distance
- Health and Safety of students a top priority
